## HOW YOUR VENUE CAN Help Girls Choose Love on Their Own Terms

As your wedding clients celebrate choosing each other, through your venue, you can help give girls around the world the same choice. VOW's vision is simple: a world where no child is ever a bride.

By aligning your venue with VOW, you can be part of the solution to end the international child marriage crisis. You can highlight to your potential and future clients that your business is socially conscious and that you are aligned with their values.

## WHY ALIGN YOUR VENUE WITH VOW FOR GIRLS?

VOW for Girls is uniquely positioned as the only nonprofit that aligns with the global wedding industry. **100% of funds** raised are invested in effective yet underfunded local efforts that advance girl's rights. Research shows the power of aligning a cause with your business. **Nearly 9 out of 10 consumers say they're likely to purchase from purpose-driven companies.** This is especially true among younger consumers. With Gen Z and Millennials making up a large percentage of newly engaged couples, there is a clear business case to support a cause.
